### TV Liquidator is the Best LED Sign Supplier

**Lowest Prices** - We sell thousands of signs direct to the public. We're also a major supplier to hundreds of sign stores and Internet resellers across the USA and Canada. Thanks to our massive sales volume, we're able to offer the lowest prices on top quality LED signs. Sign stores and other Internet sites sell our signs for almost double our prices. So you save big money when you order a sign directly from us and have your handyman install it. We do not charge sales tax for customers outside of California. So the low prices that are shown on this page are the total prices.

**Free Shipping** - We are a proud American company. Our signs are built in Los Angeles and we ship for free to anywhere in the United States and Canada. They are all in stock. We pack and ship your order within 2 to 3 business weeks. We ship large signs in crates. It only takes 2 minutes to place your order over the phone with us. Just call 1-888-885-7740.

**Knowledgeable Staff** - We ship LED signs to businesses in every industry and all types of government locations. No other company can match our experience and expertise. Our team of experts take all orders over the phone so we can make sure our customers are very satisfied and get exactly what they need.

**Best Customer Service** - Call us at 1-888-885-7740 or email us at [info@tvliquidator.com](mailto:info@tvliquidator.com). Our experts can answer your questions and help you with anything you need. We have free lifetime telephone technical support. We can even show you how to program your sign with your wireless remote keyboard. We want to help you improve your business. We take care of our customers.

## **Full Color Video LED Signs**

### **11 Sizes in Stock with All These Features**

#### **High Quality Industrial Grade and Weatherproof**

- New front accessible design. Top quality craftsmanship. Weatherproof for outdoor or indoor advertising. Fiber composite fully encapsulated modules. Corner welded all aluminum frame with a Line-x coating. They're modern, sleek and quiet.

#### **New Technology with Many Features**

- Upload your own images and animations. Upload video, audio, tables, and text. Display date, time, countdown clock and stop watch. Schedule ads to display at certain dates and times. Synchronous and asynchronous programming. Display your messages in almost any language. XM player software is included for easy programming. Wireless options are available with WiFi. Temperature sensor/auto-dimmer is optional.

#### **281 Trillion Colors and Shades**

- With our high-contrast modules and brighter LED's, our signs produce the most brilliant, vivid and vibrant displays available.

#### **20 Times Brighter Than LED TVs**

- 4 times brighter than other digital signs with 10,000 nits. Extra LED light in every pixel for virtual pixels. Virtual pixels yield a brighter and sharper display.

#### **American Made and Certified**

- All of our LED signs are Made in the USA with domestic and foreign parts. They're Metlab Certified, UL Compliant and CSA Approved. Our signs come with a proof of certification label which helps to verify that your sign is safe and meets local requirements.

#### **Easy to Install**

- Built in mounting brackets and installation guide included. Environmentally responsible with low power usage. Save energy and save money. Connects to regular 110 volt power. Order 2 signs to display on both sides of a pole or a monument.

#### **Free 5 Year Warranty**

- Our signs are built to last. If you leave them on 24 hours a day 7 days a week, they'll work great for at least 11 years maintenance free. We have the best warranty in the industry. It covers all parts and factory labor. We have free lifetime telephone technical and programming support. Every sign is built in Los Angeles with strict quality control and top quality craftsmanship. They are inspected and completely tested before delivery to our customers. more
