

What is a School-Parent Compact?

A School-Parent Compact is an agreement that families, students, and teachers develop together. It explains how families and teachers will work together to make sure all students reach grade level standards.

Effective Compacts:

- Link goals to the School Improvement Plan
- Focus on student learning skills
- Describe how teachers will help students develop skills using high-quality instruction
- Share strategies families can use at home
- Explain how teachers and families will communicate progress

Activities to Build Partnerships

E. A. Harrold Elementary has a Family Engagement Plan that includes, but is not limited to:

- Open House/Title I Meeting
- Parent-Teacher Conferences
- Curriculum Nights
- PTO monthly meetings

*Note: Due to Covid-19 and social distancing requirement, all meetings will be held virtually.

Jointly Developed

The families and staff of E. A. Harrold Elementary developed the School-Parent Compact. Teachers suggested home learning strategies, while families added ideas to make them more specific. Meetings and events are held each year to review the compact and make changes based on student and family needs.

Families are welcome to contribute comments and suggestions at any time. Please contact Kelly Cline at kparham@millingtonschools.org or (901)873-5900.

Communication About Student Learning

E. A. Harrold Elementary School is committed to frequent two-way communication with families about student's learning. Some of the ways you can expect us to reach you are:

- Weekly communication folders
- Student Planners
- Updates on the school website and current grades in Skyward
- Parent-Teacher Conferences in the fall and in the spring
- Weekly Newsletters
- Phone calls, email, Twitter, Instagram, Remind App

Do you have questions about your child's progress?

Contact your child's teacher by phone (901-873-5900) or email. Email addresses are listed on the school website at: hes.millingtonschools.org
