What is a School-Parent Compact?

A School-Parent Compact is an agreement that families, students, and teachers develop together. It explains how families and teachers will work together to make sure all students reach grade level standards.

Effective Compacts:

- Link goals to the School Improvement Plan
- Focus on student learning skills
- Describe how teachers will help students develop skills using highquality instruction
- Share strategies families can use at home
- Explain how teachers and families will communicate progress

Jointly Developed

The families and staff of E. A. Harrold Elementary developed the School-Parent Compact. Teachers suggested home learning strategies, while families added ideas to make them more specific. Meetings and events are held each year to review the compact and make changes based on student and family needs.

Families are welcome to contribute comments and suggestions at any time. Please contact Kelly Cline at kparham@millingtonschools.org or (901)873-5900.
