Millington Central High School received a State of Tennessee Department of Education CTE Equipment Grant for Information Technology and Health Science for a total of \$79,105. We are seeking Board approval to purchase following.

The purchase of 26 HP ProOne All-In-One PCs for use in Information Technology classes from Pomeroy under Statewide Contract #3005 for a total cost of \$20,462.00.

The purchase of equipment and instrument packages for Health Science classes from Health Science Occupation Equipment & Supplies for a total cost of \$28,330.67. This is a sole source purchase.

The purchase of course work for students and instructor guides for teachers to be used in Information Technology classes and labs from Southern Education Systems, Inc. for a total cost \$16,632. This is a sole source purchase.

The remaining items to be purchased with the grant do not need BOE approval due to the cost being less than ten thousand dollars.
